Reference Material Institute for Clinical Chemistry Standards

1050 – 35, Ichigaocho, Aoba-ku, Yokohama Kanagawa 225-0024, Japan

SAFETY DATA SHEET JCCRM 300-18

1. Identification of substance

Product name: JCCRM 300 Lot No.: 18

2. Components

Water Solution

3. Emergency first aid procedures

Inhalation: N/A

Skin contact: Normal hygiene

Eye contact: Flush with water for >15 minutes in case reagent contacts eyes

Ingestion: Get medical attention

4. Actions in case of fire

Not flammable, follow general fire fighting procedures.

5. Actions in case of spill of material

In case of spill of material clean with water.

6. Handling and storage

Handling: Follow Good Laboratory Practice
Storage: Store vials as directed in the certificate

7. Limitation of the exposure / personal protective measures

Follow Good Laboratory Practice

8. Physical / chemical characteristics

pH \sim 7 (neutral) Boiling point \sim 100°C / \sim 212°F Melting point (°C) \sim 0°C / \sim 32°F Decomposition temp. \sim 70°C / \sim 158°F Flash-point (°C) Not flammable

Spontaneous combustion temp N/A

Combustibility (solid, gas) N/A Explosive characteristics N/A Oxidizing characteristics N/A Explosion limits N/A Vapor pressure (kPa) N/A Vapor density N/A Solubility in water Soluble Odor none Physical state Liquid Appearance Clear

9. Ecological and toxicological information

According to applicable regulations, this product does not contain chemical ingredients classified as hazardous or in sufficient concentrations to classify the product as hazardous.

10 Waste disposal methods

Do not dispose of in general waste. Consult local environmental authorities for proper disposal.

11 Transport information

This material is not regulated by the International Air Transportation Association (IATA) This product does not apply to dangerous goods on air transport.

Date of issue: 7 October 2023
